*Happy
Thanksgiving*

*Give
Thanks*

So many things,
To be thankful for.
Well I'm thankful so,
My little list is simple.

First of all,
I would thank my family.
They help and care for me,
So why not return the favor.

Well why not farmers,
Don't they help too?
They give us food,
That they grow.

People all around me,
Help me, you know.
Teachers, Tutors,
They matter?

Brothers, and sisters,
Aren't they family?
I care for them,
As they care for me.

So many things,
To be thankful for.
Cause giving thanks,
What a task!!

THERE IS
always, always,
ALWAYS
something
to be thankful for

I AM
Thankful

I don't have time
to hate people
who hate me
because I'm too busy
loving people
who love me.
