

**I can help Planet Earth**

Earth's climate is changing,

Earth is getting warmer,

We need more clean energy,

We need clean water, wind, and sun.

We need to make it better,

I can do something,

turn off the water when I am brushing teeth,

Turn off light and TV when I am not using it,

Stop littering.

Recycle bottles, cans and boxes,

Suggest my dad to buy electric car,

My mom can ask her friends to buy electric stove,

Collect bottles and go to supermarket to redeem.

I am the one who will take care of the Earth,

This way I can help people and animals,

Happy Earth Day,

I can help Planet Earth!
