

bad
a bad thing for
the earth plastic
in the
ocean.

another bad
for the earth
is when we
throw ground
the soil take
the trash into

one more
bad for the
earth the
mine in the
ocean

the Earth
is the only
planet like on
and it is good

good
one good thing for
the Earth is clean
Seas

another
good thing for
the Earth is
no pollution.

one more good
thing for the
is a healthy
environment.
