HOW TO KEEP OUR EARTH CLEAN

REDUCE
the amount
of electricity
by

Turning off
the lights when
not needed.

SAVE Water

No letting it run
the entire time
while I'm brushing
my teeth.

REUSE

Recycle These things:
Soda cans, milk jugs,
paper, cardboard, plastic,
and glass

Pollution is
the contamination
of air, water, land and
the environment.

We should
stop polluting
our water.
