

There are several things I am thankful for. I'm thankful for my games because I wouldn't have anything to do in my free time without them. I am thankful for my family, because they are always there for me. They help me when I need it and help me with my homework. I am thankful for my friends, because when I need to talk they are there for me. I am thankful for my house because I have somewhere safe to go and sleep, eat, and chill. Lastly, I am thankful for my school, because I have a place to go and learn and get smarter.
