

Darius Maldonado

Thankful

My father
Pushes me farther and helps me a lot

My mom
Makes me feel safe and calm

My bonus mom
Comes in like a bomb!

My brothers
Not too serious
Kind, cool, and curious

My teachers
Give me time and grace

All show up to support me.

I'm thankful for
A place to live
A roof over my head
A Home

Basketball
Thank you
You give me
A good game to play

Music
Thank you for the Rhythm
Thank you for the base
always there, always in the right place.
