

## What am I thankful for

To begin, I am thankful for my family, I am thankful for my friends, and I am also thankful for the roof over my head. First, I am thankful for my family because they like to spend time with me and they like to buy me nice things. Next, I am thankful for my friends because they like to talk with me, and we also like to play fun games together. Lastly, I am thankful for the roof over my head because I have a bed to sleep on and I have food to eat so I can survive. Overall, I am thankful for everything that I have.
