

There are several things I am thankful for. I'm thankful for my family because they take care of me. When I come home from school, my father prepares lunch. My father also helps me with my homework, and I am thankful for that. I'm thankful for my mom because she helps me brush my hair when it is tangled. My mom also drives me to school and buys me clothes. Furthermore, I'm thankful for my sister. My older sister helps me fold my clothes, make my bed, and set the table for dinner. I'm thankful for my family because they are always there for me. These are the people and things that I am thankful for.
