

If someone asked me what I was thankful for, this is what I would tell them. I am thankful for my family because my family takes care of me. They also provide me with food. I am thankful for my pets because my pets give me company. They are also great to cuddle with me. I am grateful for my friends because they play Roblox with me. My friends are also so kind to me that it always makes me feel happy. These are all the reasons I am thankful.
