What are you thankful for?

By: Addelyn Epp John Street School

Are you thankful for family?
Are you thankful for friends?
Are you thankful for dolls,
Or are you thankful for football games that never end?

Are thankful for dogs,
and for Cuddly Cats too?
I'm thankful for my Parents,
for all they say and do.

I'm thankful for my health,
and the love that fills my heart.
I'm thankful for my teachers,
who help me learn and start.

I'm thankful for good food,
and for freedom everyday.
So many things to cherish,
I am thankful in every way.
