There are many things
I am thankful for mostly,
I am thankful for my
family.

I am thankful for my
family because they love me.
They tell me all the time.

I am thankful for my family
because they buy me things.
The best thing they bought me
is my mowpet.

The third reason I am thankful
for my family is they take me
places. The beach is my favorite
place. They know that and
that is why they bring me

For all these reasons
I am thankful for my
family. I love them!

thing I am thankful for!

I am thankful for the earth.
I am thankful for books.
I am thankful for electricity.
I am thankful for drawing.

I am thankful for these things because we wouldn't be alive if our planet didn't exist, we wouldn't be entertained without electricity, we wouldn't have anything to do if there was no electricity.

Some people, I am thankful for are my family.

We go for dinner to the buffet for some delicious food.

Sometimes on the weekend. We have movie night and watch Disney movies. Popcorn and have coke to drink. We have so much fun together!

We read books to each other. I like to read GUTS, a chapter books to my family a serious book.

In the living room my sister Camila likes to play dolls with me. We pretend they can talk.

I am very thankful for all of the people in my family! I love them very much!
