

what I'm thankful for

I am thankful for my house
because I mean I have somewhere to live.
I am thankful for my family because
without them I would have not been at this school.
I am thankful for all the people that work at my
school because I would not be able to learn anything.
I am thankful for the military
because the keep us safe.
and last of all, I am thankful for the
government because it keeps us
in line.
