

Things I am grateful for

I am grateful for my family and friends. I am grateful for a house, I'm not poor, I have good friends. I'm grateful for people that love me, and people that don't make fun of me, don't bully me. I'm grateful for the things I have like my dirt bike, my iPad, my ps4. I'm grateful that I'm not adopted. That's what I'm grateful for.
