Title:What I am Thankful for!

I am thankful for my teacher because she teaches me alot. I am thankful for my family because they took care of me when I was a baby and continue to help me grow and become stronger now. My family in Bangladesh that I never saw even when I was born, I really miss them but I am thankful for them all!

I am also thankful for all of my friends because they help me with anything that I need.like math, reading, and spelling. I feel so grateful that I have amazing friends in my life that are there for me.

Finally I am thankful for all the books I have read and all the food I have. These are all the things I am thankful for.
