→ This Year I am thankful for many things

Some of those things are my family, stores, and my house!

→ I am thankful for my family because I always see my family ever day. Am also thankful for my family is because they buy me some nick^s close when I need. Lastly, I am also thankful for my family because they always make me food.

→ I am also thankful for stores because if we need food we can go to the store. Another reason why I am thankful for stores is because if your house is empty we can go to the store to help us. Lastly, I am thankful for stores is because if you need school suplies we can go to the store to buy it.
