By: Bode

I am thankful for my family, my dog, and food. First, I am thankful for my family. My family means a lot to me because they support me. Next, I am thankful for my dog. My dog is special to me because I like playing with him. Finally, I am thankful for food. Food is important to me because if I didn't have food, I would die. In conclusion, I am thankful for my family, my dog, and food.
