

Free verse poem: *MY FAMILY* By: Camila S. 651

I am so grateful
For my mom, dad, and sister
Thankful for you three

And all that you do
For just me, myself, and
I
you make me feel good
you are always by my
side
Making me all warm inside
Whether it is rain or shine
Inside a big part of me, I
say,
"Love you all!"

You are all unique to me
There is no comparing you
To me, there is certainly
No possible way that this is not true
Loving
Is what you are
Hugging, kissing, laughing
We do all these things together
Caring

MOM
sweet, smart
SINGING, COOKING, SLEEPING
BELOVED, dear, DEVOTED, INSEPARABLE
WORKING, PLAYING, DRIVING
FUNNY, KIND
DAD
