# THANKFUL

I am thankful for my family  
my friends and my Cousins.

First I am thankful for my whole  
family every family members in my  
family. my cousins means a lot to  
me because they are all my best friend.

Next I am thankful for my friends  
because they help me with homework and  
lost of other things. my family is special  
to me because they help me with my work and  
other things. Finally I am thankful for my friend

because they are really kind to  
me. my friends is important

to me because they are really  
help folley. In conclusion

I'm thankful for my
