My parents are what I'm thankful for as they are the reason who I am today. Even though they're not together, which is ok, they still take care of me the same. I'm so glad they're my parents and they're the best.

My dad is my hero as he has sacrificed so much for me and I'm thankful he did that. He sacrificed his time, money, energy for me and my brother. My dad has so much hope for me as my dad gave me a chance to be professional in soccer. I am so joyful hes my dad and i love him.

My mom is the best mom in the world as she gave birth to me and the one who always cares for me 24/7. My mom is also a hard worker as she works until 12am or 1am as she has to take care of 5 kids including my brothers and sisters. I'm so thankful for my mom and I love her.

These are the reasons why I'm thankful for my parents and I love them so much and they're the best parents in the world.
