

A still life composition featuring a white pumpkin, dried flowers, and autumn leaves on a blue plate against a dark background. The pumpkin is the central focus, with its stem pointing upwards and to the left. To its right, a cluster of dried, yellowish-brown flowers with dark centers is arranged. In the foreground, several vibrant orange and red autumn leaves are scattered on the blue plate. The background is a dark, textured surface, possibly a chalkboard, which provides a stark contrast to the lighter elements in the foreground.
