

What im thankful for Essay

I'm thankful for my family because they provide for me and make me food. I'm thankful for pets even though they eat too much and cost too much money .I'm thankful for my friends because they are funny and a little weird. I'm thankful for my car that gets me around'. I'm thankful for the days off of school.. I'm so very thankful for my house. These are just a few things I'm thankful for.
