THANKFUL

I am thankful for shelter, food and water and family. First I am thankful for shelter. Shelter means a lot to me because it keeps me safe in storms and tornadoes. Next I am thankful food and water. Food and water is special to me because not every one can afford it. Finally, I am thankful for family. Family is important to me because they help me when I need. and they're always there for me. In conclusion, I'm thankful for shelter, food and water and family.
