Blessings

I am thankful for..
My family:
My mom, dad, and sister
My friends
Who always cheer me up when I'm sad
For books
That teach me things I don't know
For dance
It's so much fun
For dogs
Who are super cute and smart
For school
And all the things I learn
All my teachers
Who inspire my love for learning
For summer
I get to spend time with my loved ones
I am thankful for my many blessings
And each one in their own unique way
