

I am Thankful

By: Hendrick

I am thankful for my family, God, and my friends. First, I am thankful for my family because they are always there for me, and they mean a lot to me. Next, I am thankful for my friends because they make me laugh. I'm thankful for those who make me laugh and treat me with respect, which is special to me because kindness is happiness. Finally, I am thankful to God because he is the one who brought me into this world. God made water, the sun, food to eat, humans and animals. In conclusion, I am thankful for my family, God, and my friends.
