typical things I'm thankful for
I'm thankful for the weekends,
whose days bring me rest and joy
I'm grateful to have my family,
they empower me through difficult times
I'll say thank you to my teachers
they helped me learn things I once didn't know
Lastly, I'm thankful for all my books
These are what bring color to my life
Some take these things for granted
But at least I'm not one of them
And I'm sure many others aren't too

WEEKENDS!!!
