

Thanksgiving is a time to remember all the things we are thankful for. I am thankful for my friends, my family, and my mom. First, I am thankful for my friends. When I am sad they tell me old memories which makes me happy. I like to play with my friends outside of school too! We like to play video games, soccer, and football. I like to play blocks with friends at school. It is fun. Next, I'm thankful for my family. My Grandma and I like to get food at Applebee's. I love to order burgers and fries. Also, I like to go to fun places like Get Air with my family. I enjoy spending time with my family. Finally, I am thankful for my mom. My mom gives me hugs which makes me feel happy. She also brings me to the movies. My mom works hard to pay for the bills and buys me good food. She is a wonderful mom! And that is everything I am thankful for this Thanksgiving.
