What are you thankful for?

I am thankful for my family,

They are always there for me,
And when I need help they satisfy my needs,

I am thankful for my friends,

They are there when I fall,
They help me get back up again,
But that's not all,

I am thankful for every one that helped me along the way,
To get where I am today,

I am thankful for my home,

It protects me through rough times
In and outside,

It always makes me comfortable,
I never have to worry,

This is what I am thankful for. Now I'll never have to worry.
