Who are you thankful for?

I'm thankful for...

My mom...

Who cooks for me.

My dad...

Who makes money.

My friends...

Who play with me.

Ms. Nicoletta...

Who teaches me to become a writer.

My grandma...

Who also cooks for me.

My grandpa...

Who gives me money.

My uncle...

Who gives me snacks.

My aunt...

There's no reason.

My cousins...

Who they sound like my friend.

Who are you thankful for?
