

What im thankful for

By: Keylin rivas torres

1. What I'm grateful for .

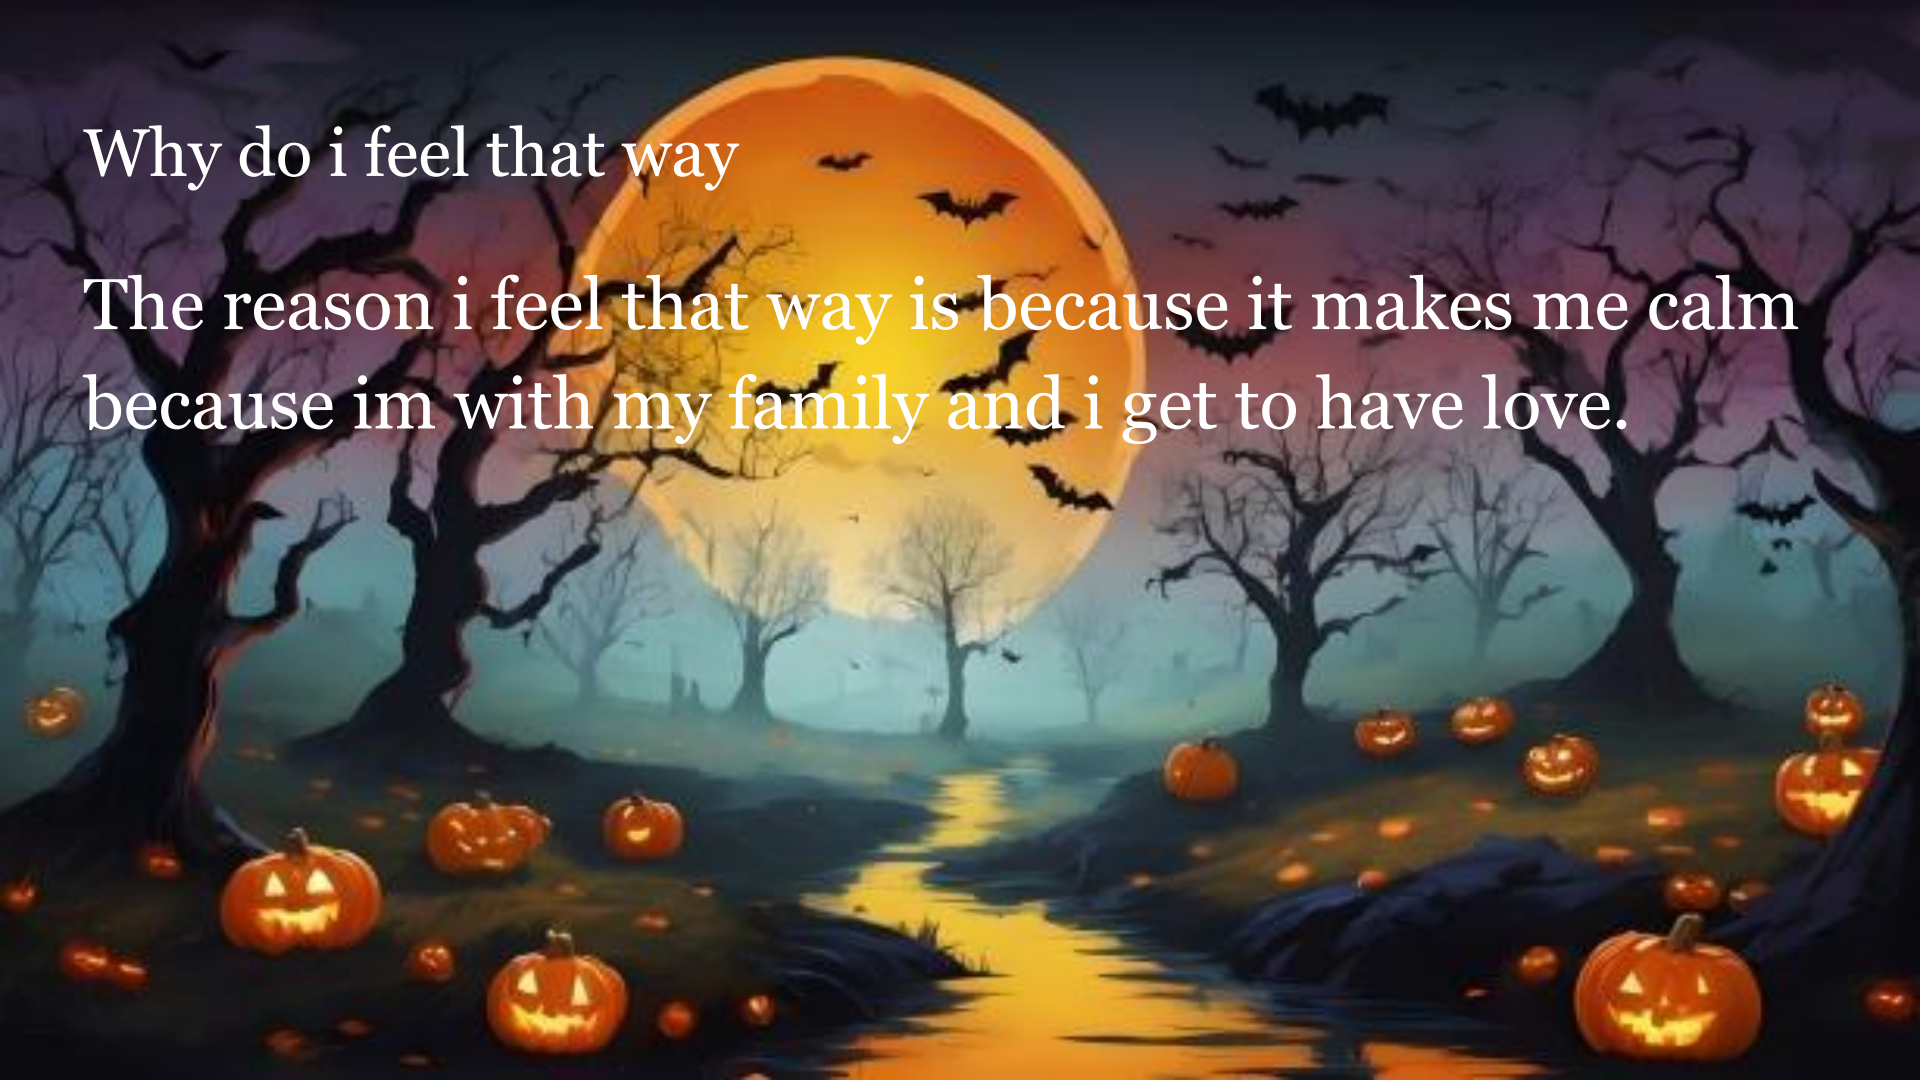

What I'm first grateful for is that for being here and having my family.

2. What I love

What i love is that i grateful is that i have food and love and to see my mom because some kids need help but all that i have is my family and that is worth it all.

A Halloween-themed illustration featuring a large, bright orange full moon in a dark, purple-hued sky. Several black bats are flying around the moon. In the foreground, a path of glowing jack-o'-lanterns leads towards the background. The trees are dark and leafless, and the overall atmosphere is spooky yet serene.

Why do i feel that way

The reason i feel that way is because it makes me calm
because im with my family and i get to have love.
