What I Am Thankful For

This Thanksgiving, I am thankful for my dad, my mom and Roblox. First, I am appreciative for my dad because he cooks delicious meals for me, such as pasta, steak and fruit bowls. He also takes me to school in the morning. I am also indebted to my mom because she watches Movies with me. She also helps me with my homework. Finally, I am grateful for Roblox because I can play games online. I can also play with my friends as well. My parents and Roblox are very important to me this Thanksgiving.
