

What i am thankful for

I would like to thank my family and friends. I want to thank them because of a few reasons.

I would like to thank my parents because they have been there for me my whole life. For example, my mother taught me how to read and write and my dad taught me a lot of valuable life lessons. He taught me that i shouldn't get mad on little things like when my sister breaks a toy

I would like to thank my sister because she has kept me company when i feel alone. Also, she has played with me a lot. She has played games like doctor and police with me.

Lastly, i would like to thank my friends because all of my true friends would be there for me whenever i need them or when im hurt. For example, some of my friends like Lucas or Andre would ask me if im hurt if i look very hurt.

In conclusion this is why i would like to thank my friends and family.
