# THANKFUL

I am thankful for my family, my dog Mickey, and food. First, I am thankful for my family. My family means a lot to me because they help me when I need help and they hang out with me. Next I am thankful for my dog Mickey. My dog Mickey is special to me because he entertains me, and he makes me feel better when I'm sad. Finally, I am thankful for food. Food is important to me because it is tasty, and there are so many different types to like. In conclusion, I'm thankful for my family, my dog Mickey and food.
