

*I'm thankful*

*For my cat*

*And the way he always perches in my window*

*I'm thankful*

*For my dog*

*And the she always barks at her own reflection*

*I'm thankful*

*For my bed*

*And the way it keeps me warm at night*

*I'm thankful*

*For my mom*

*And the way she holds me so tight*

*The way she makes me feel better when things aren't going right*

*I'm thankful*

*For my friends*

*And the way they always make me smile and laugh even when i'm sad*

*I'm thankful*

*For my teachers*

*And the way they make me smarter*

*The way they help me understand things I never thought I could.*

*I'm Thankful*

*For my grandma*

*The way she makes me have the funnest days*

*The food that she serves that fills my belly*

*I'm Thankful*

*For my house*

*And the way it make memories that are unforgettable*

*I'm Thankful for the life I have today!*

*Whoever is reading this, take a second and close your eyes and think about what you're grateful for!*
