

It is near Thanksgiving so here
is someone I am thankful for!

My mom

Here is why I am thankful for my mom

My mom is always there for me when I need it. When I am doing homework, when I need help cleaning my room, when I am sad, and many more reasons. She is always so so kind to people even when they're not to her. She is one of the sweetest people I know. She is loving, caring, brave, and beautiful, on the inside and out.
