Thanksgiving Writing

Thanksgiving is a time to be thankful. I am thankful for

friends, family, and food.

First, I am thankful for my family, because we

Go to Places like Going to Islands,
Weekends, Games and food.

Second, I am thankful for my friends, because we

Play games, Sleepovers and team
work with people for a project.

Finally, I am thankful for food, because it

tastes Good, it keeps me alive
and its amazing.

I have many blessings this Thanksgiving holiday, but I am most

thankful for family, friends, and food.
