

Name Maria

This year, I am thankful for my mom, big sis, and my dad because they keep me safe. They love me. They always be there for me. They make me happy because I am so glad with them. They make me food to eat. They help me with homework. The things I do with my mom are talking and drawing. My dad makes chicken for me. I like to watch my sis draw. I am thankful for my cousins. I visit their home for Thanksgiving and we spend time together.
