# Why I Feel Blessed For My Family.

I feel blessed for my family which includes my mom, my dad, and my brother sammy. First, let's start with my mom. She's a great cook so I have delicious dinners. She also loves to walk so I get good exercise when I go with her. Next, let's talk about my dad. He takes me around the city, which means he is not too busy during the weekend to spend time with me. In addition, I can also chill with him during the weekend. Lastly, let's talk about my brother sammy. Since he is rarely busy, I can chill with him. He is also really nice because he helps me with things when I need it. Now you know why I feel blessed for my mom, my dad, and my brother sammy.
