

## Thanksgiving Writing

Thanksgiving is a time to be thankful. I am thankful for

my MOM, My dad, and my family.

First, I am thankful for my MOM, because She  
helped me when I was sad, mad, or  
depressed.

Second, I am thankful for my dad, because he  
Plays with me he take me everywhere  
fun.

Finally, I am thankful for my sister, because She  
make me happy when she hugs me  
\_\_\_\_\_.

I have many blessings this Thanksgiving holiday, but I am most

thankful for MOM, dad, and family.
