I'm So thankful

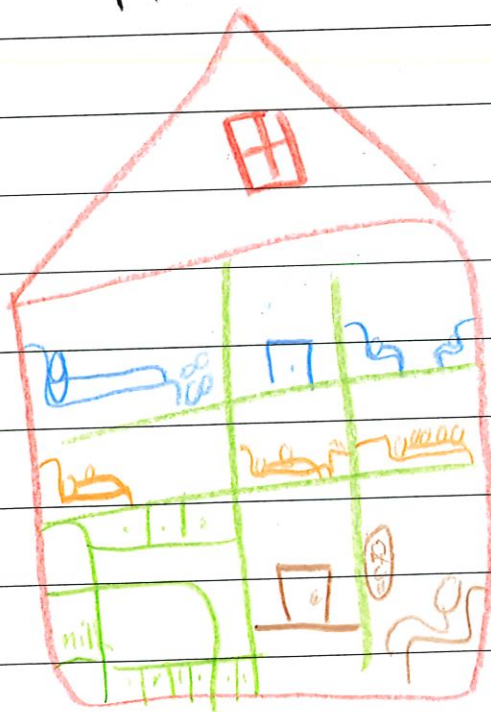

Thanksgiving reminds me of all the people and things I'm thankful for. I appreciate my house, my family, and money.

Firstly, I am thankful for my house because it is very comfortable and beautiful. Next, I am grateful for my family because they protect me and help me. Also they always support me. Lastly, I am thankful for money because I can go on vacation. I also can have some lessons with tutors to help learn and catch up on work. These are some things I am really thankful for this year.
