Things I am Thankful For

There are many reasons why I am grateful for my mom, my dad, and Hashem. First, I am grateful for my mom because she is fun and plays games with me. In addition, she makes me happy by welcoming me home from school. Next, I am thankful for my dad because he helps me exercise by bringing me to the gym. He is also fun because he builds Lego sets with me. Finally, I am grateful for Hashem because He gives me my life every morning by returning my soul to me. In addition, He provides my food by giving my mom the ability to cook. These are the reasons I am grateful for my mom, my dad, and Hashem.
