

Mom= Magnificent, Optimistic, Mindful!

I am thankful for my mom!
Oh, where do I begin
You taught me how to live
You are my heart, life, and soul

When you were mad
I could see it in your eyes
But, you always kept it inside you
Until we kept asking
"What's for dinner?" sorry mom

The time you spent on food
I can't thank you more
Right when you come home
You start on lunch and dinner!

You are the BEST mom in the world
No one can ever replace you
I love you so much
HAPPY THANKSGIVING!!!
