I'm so thankful

When I celebrate thanksgiving I think about who and what I'm grateful for. Some of them are my nanny, my dog, and my soccer team. First my nanny, Nino is very nice, understanding, and fun. She is very good at checkers and likes to play keepie upie with me. Next, my dog Onny, he is very cute but, sadly he is blind. He knows how to get around the house thankfully. Lastly, my soccer team, F.C. Copa. It is a very good soccer team. My soccer team is also very fun! These are the three things I am grateful for.
