

Thanksgiving is a time to remember all the things we are thankful for. I'm thankful for my parents, my sisters, and my friends. First and foremost I'm thankful for my mom and my dad. My mom always cooks my favorite meal like blinchiki and cleans my stuff. Also my mom buys me whatever I want, so she is the best mom EVER. I'm also thankful for my dad, because he always buys me things and teaches me math and cursive. My dad also plays volleyball with me. Next I'm thankful for my sisters. Liza helps me with my homework and if I clean her room she buys me things because she's rich. Next, I'm thankful for my sister, Rita. She helps me stay neat at my writing and helps me if I do something wrong. And last but not least I'm thankful for my friends Diem, Darya, Nastya, Sarah, Kaydence, and Ianna. First, Darya is really smart and she helps me with the quiz and homework. My second best friend is Diem. Diem is helpful when we work together and when she helps me with my homework. My next best friend is Sarah. Sarah is forgiving. When we fight over something, and if we disagree over something, she always forgives me. I'm thankful for Nastya. Nastya is kind because she doesn't get mad at me over anything and plays with me. I'm thankful for Ianna. She is very artistic and likes drawing or making something from cardboard. And last but not least I'm thankful for my friend, Kaydence. Kaydence is nice when we are doing a quiz together. Also, she helps me and doesn't get mad at me when I do something wrong. I am thankful for many things each and every day.
