What I am thankful for.....

What are you thankful for? Are you thankful for family and friends? I know that being thankful means that you love what you have. I am thankful for my family, friends, home, and the Catholic school education I receive.

I'm so thankful for my three sisters and two parents. I am thankful for my big sister Lilly because even though she can be a bit mean that doesn't mean I don't love her. Having to be the oldest is hard so that's okay. I am thankful for my sister Gabby because she helps me with my homework and keeps me company. I am thankful for my little sister Ceci because she plays with me and makes me laugh. I am thankful for my mom because she takes care of me and makes delicious breakfast, lunch and dinner. I am thankful for my dad because he is nice and he helps me do many things.

I am thankful for my friends because they always make me laugh. I am thankful for my friend Mia because she is funny and sweet and she will always stand by me when I am sad. I am thankful for my friend Claire because she is funny, smart, and a little coo coo but in a good way! We all laugh, play and tell each other almost everything.

I am thankful for my education. I am lucky enough to go to a Catholic school that all my sisters go to. I see them in the hallways a lot. With no education I would have no friends.

I am thankful for my home because it is comforting and welcoming. It keeps me safe and warm. My favorite room in my house is the living room. I can cuddle and watch t.v with my family or by myself. I also love my room because I share it with my sister Ceci. .

Thanksgiving is when you give thanks to all you have "Winnie The Poo" Piglet notices that even though he had a very small heart it could hold a rather large amount of gratitude" Winnie The Poo tells us even if you are short and little you can still be kind and you can hold lots of love and gratitude .
