

Thanksgiving is a time to remember all the things we are thankful for. I'm thankful for my mom, my friends, and my cat, Stormy. First, I'm thankful for my mom, Dawn. She makes me my favorite food, Mac and Cheese. It is the best! Also, she cuddles with me and makes me feel safe, especially if I have nightmares. Next, I'm thankful for my friend, Nataly. She plays with me. We like to play soccer. I'm also thankful for my friend, Damnon. He makes me laugh. He does funny things. I'm thankful for my friend, Gabriel. He hugs me all the time when I get off the bus. He is my first friend. Last but not least, I am thankful for my cat, Stormy. When I call him he comes to me now that he knows his name. He is my cat. I don't want to lose him, I'm for real. I am thankful for many things, especially, my mom, my friends, and my best cat!
