

"My Appreciation For Everything"

Thanksgiving Free Verse Poem!

I am grateful for the new food I eat,
I am grateful for the shoes on my feet.
I am grateful for the sky so blue
It helps me not to feel so gloom. 
I am grateful for the morning sky,
To watch the gentle clouds go by.
I am grateful for the friends I know,
And all the ways they help me grow.
I am especially grateful for my parents
They make me feel so loved and known.
I can't wait to learn and share even more!
