

# Earth Day

Poem

Oh, Earth day,

We all say,

"Earth Day Yay!"

But we all don't know,

the we harm the planet!

With cans on the road,

but we are still just painting on a canvas!

That art, is all fun and joy,

but what we do is be naughty and annoy,

Our planet!

It's earth day!

lets go to help!

Pick up some trash, And then you'll be a hero someday!
