

OUR POWER OUR PLANET

WHILE OUR PLANET STRIVES FOR FIVE
YOU CAN HELP IT STAY ALIVE.

I HOPE YOU DON'T LITTER I HOPE YOU DON'T LIE
OUR PLANET ISN'T DOING GOOD AND YOU NEED TO KNOW WHY. PEOPLE LITTER AND
THEY SHOULDN'T IT GOES OUT IN THE SEA AND THE ANIMALS DON'T REALLY NEED IT.
I'M TELLING YOU THIS YOU SHOULD DO GOOD,
OUR PLANET NEEDS YOUR KINDNESS FROM YOU AND ME
YOU HAVE THE POWER TO SAVE THE EARTH SO GO AND DO IT
IT'S NOW OR NEVER CHOOSE THE ONE YOU WANT
YOU CAN TELL WHAT'S HAPPENING AND YOUR NOT IMAGINING
GO TELL YOUR FRIENDS THAT YOU CAN'T BE LYING
THIS PLANET IS IN TROUBLE SO GO SAVE IT.
OUR PLANET HELPS US WITH ALL THE THINGS WE NEED LIKE FOOD, WATER AND
ANIMALS LIKE AN OTTER.
ALL THESE THINGS HELP US STAY ALIVE BUT WHEN THE EARTH NEEDS US WHEN IT
HAD IT'S FIRST BIRTH WE IMMEDIATELY FORGOT ABOUT IT AND LET THIS EARTH LOSE
SO THE LAST THING TO SAY IS THAT TREES TOUCH THE SKY, CLOUDS FLOAT ON BY,
WE KNOW EARTH IS OUR LIFE SO WHY DO WE TREAT IT LIKE IT'S OUR MAD LAZY KITE
THAT SLOWLY FALLS TO THE GROUND.
WE ARE IN THE SKY AND THE EARTH IS ON THE GROUND AND TO BE EVEN WERE GOING
TO MAKE A LOT NEW CHANGES TO SEE HOW WERE NOT LEAVING IT.
