

Reflections on our Planet
By Madeleine Rodriguez, Grade 3

EDUCATE		Excellent
ASSIST		Amazing
RECYCLE	to protect our	Radiant
TRANSFORM		Terrific
HELP		Home

Earth is beautiful.
Shining, dazzling blue and white
And colorful green.

Earth is an amazing place,
Mother Earth is our home base.
So be sure to take care of our home,
Or we will have nowhere to roam.
Let's all help out and do our part,
Give Earth her place- our home, our heart.
Reduce. Reuse. Recycle.
